

## RESOLUCIÓ DE 14 DE NOVEMBRE DEL 2024, DEL VICERECTORAT DE TRANSFORMACIÓ DIGITAL, PER LA QUAL ES PUBLIQUEN LES LLISTES DE PERSONES ADMESES EN EL PLA DOCÈNCIA EN XARXA 2025-2026

De conformitat amb el que es disposa en les bases de la Convocatòria, de juny del 2025, per la qual s'anunciava el pla Docència en Xarxa 2025-2026, i d'acord amb la proposta de la Comissió establida a aquest efecte,

Aquest Vicerectorat **RESOL**:

**PRIMER:** Publicar les llistes de persones admeses, així com el nombre d'objectes d'aprenentatge, mòduls d'aprenentatge, col·lecció de vídeos, sèries podcast, lliçons de prerequisits i cursos en línia oberts i massius (MOOC) admesos per a la seua producció i avaluació que figuren en l'Annex 1 d'aquesta Resolució.

**SEGON:** Tal com s'estableix en la convocatòria, en cas que, després del lliurament de la totalitat dels materials, l'import total resultant per a incentivar tots els materials avaluats positivament siga superior al pressupost del pla Docència en Xarxa, que per a enguany ascendeix a 30.000 euros, l'import de l'incentiu per professor/a serà disminuït proporcionalment fins a permetre que amb el pressupost disponible siga possible incentivar tots els materials presentats i acceptats.

**TERCER:** L'import de l'incentiu que es rebrà serà el corresponent al nombre d'objectes d'aprenentatge, mòduls d'aprenentatge, col·lecció de vídeos, sèries podcast, lliçons de prerequisits i cursos MOOC avaluats com a aptes per a la seua publicació, segons els criteris establits en la convocatòria per a cada tipus de material. No obstant això, independentment del nombre materials lliurats, aquest import no pot superar en cap cas la quantitat màxima assignada a cada sol·licitud en la present resolució, i així mateix, tampoc pot superar el màxim de 400 euros per sol·licitant establert en la convocatòria.

**QUART:** Informar que els recursos centrals destinats a aquesta producció seran els disponibles en el catàleg de serveis de l'Àrea de Sistemes d'Informació i Comunicacions, i de l'Institut de Ciències de l'Educació. Els objectes que requerisquen un tractament especial s'atendran en la mesura de les disponibilitats de personal.
