Presentation

Dear Erasmus partner,

We are glad to invite you to take part in the UPV Erasmus Staff Training Week that will be held at Universitat Politècnica de Valencia (UPV) – Alcoi Campus from 19th – 23th May 2014.

The aim of this UPV-Campus Alcoi Erasmus Staff Training Week is to welcome non-teaching staff from our partner institutions and share our experiences with them. During this week we will combine work and learning with pleasure and enjoyment.

A preliminary agenda has been devised; a more specific and detailed programme will be planned according to the expressed wishes of our attendees.

Come and join us!

Key activities

Due to the demands of some of our partners, a short Spanish Language training course will be included. Our aim is for you to get an A1 or A2 level of Spanish depending on your previous level.

Another important goal is that the staff week gives you the possibility to visit our university and beautiful city. Therefore, we have designed a social program, full of interesting activities such as visiting the best example of Mediterranean Forest in Spain, the Natural Reserve "Font Roja". We will spend a whole day in this natural park, mixing training and social activities.

You will also have the opportunity of visiting our central campus in Valencia and this fantastic historical city.

Obviously, we will have time to share international experiences and discuss matters related to the new Erasmus + programme.
