Presentation

Dear Erasmus partner,

We are glad to invite you to take part in this second UPV Erasmus Staff Training Week that will be held at Universitat Politècnica de Valencia (UPV) – Alcoi Campus from 13th – 17th April 2015.

In this second edition we have two programs, one focus to International Staff and another one to Library Staff.

The aim of this UPV-Campus Alcoi Erasmus Staff Training Week is to welcome non-teaching staff from our partner institutions and share our experiences with them. During this week we will combine work and learning with pleasure and enjoyment.

Come and join us!

The main goal will be to share international experiences and discuss matters related to the Internationalization in the Universities framework.

Due to the demands of some of our partners, a short Spanish Language training course will be included. Our aim is for you to get an A1 - A2 and B1 – B2 level of Spanish depending on your previous level.

Another important goal is that the staff week gives you the possibility to visit our university and beautiful city. Therefore, we have designed a social program, full of interesting activities such as visiting the best example of Mediterranean Forest in Spain, the Natural Reserve “Font Roja”.
