

INFORMATION UPV CAMPUS DE GANDIA

The UPV Gandía Campus is located 70 km south from Valencia.

➔ ARRIVING TO GANDIA FROM VALENCIA AIRPORT

Once at the airport, look for the “metro” signs.

You can reach the metro station from inside the airport building. Once at the metro station, take line number 3 or number 5 (both exit from the same place). Without any transfer, stop at the “**Xàtiva**” station.

For detailed information about “metro” timetable, you can check:

<http://www.metrovalencia.es/page.php?idioma=en>

You can calculate your route depending on the arrival time to Valencia, selecting “Airport” as the departure station, and “Xàtiva” as destination.

Once you arrive at Xàtiva Station, there are many exits; the closest to the train station is the one indicating “Xàtiva”, which is located just in front of the Train Station (València Nord).

At the train Station (Estación del Norte), you must buy the ticket in an automatic machine or in the ticket office at the entrance. The train line to Gandia is: “València- Gandia”.

If you want to check for a timetable, you can do it at:

<http://www.renfe.com/EN/viajeros/cercanias/valencia/index.html>

There is a train every 30 minutes on working days and every 60 minutes at the weekends.

Once arrived to Gandia city, the bus stop is located just in front of the railway station and the Bus Station, besides the Tourist Info.

Look for the bust stop for line 2, (yellow bus) to go to Grau de Gandia. The last bus to Grau de Gandia leaves at 23.50, so, in case you are late, there is a Taxi stop close to the bus stop.
