**REGISTRATION:** [HERE](#)

If you are a UPV exchange student, please, note that for the reduced fees you must first pre-register. Once we have confirmed that you will be studying at the UPV next year, you will be able to complete your registration. This process may take one or two days.

**ACCOMMODATION** (Not included in the course fees)

As the campus of Gandia is one hour away from the campus of Valencia, and Gandia Beach is a very touristic place which is in high season in August, we have negotiated with a flat rental agency so that you can have the cheapest prices, you can share a room (even without knowing each other) and you don't have to pay before arrival. Of course, you are free to look for accommodation on your own.

We look forward to welcoming you!

Best regards,
