

# Level App

The way to level **up!**  
your academic experience

University **service** to connect students from different disciplines by **solving problems** and participating in projects

Students will work by themselves in **INTERDISCIPLINARY TEAMS**

To join a project, the student must comply certain **SKILLS** specified in each case

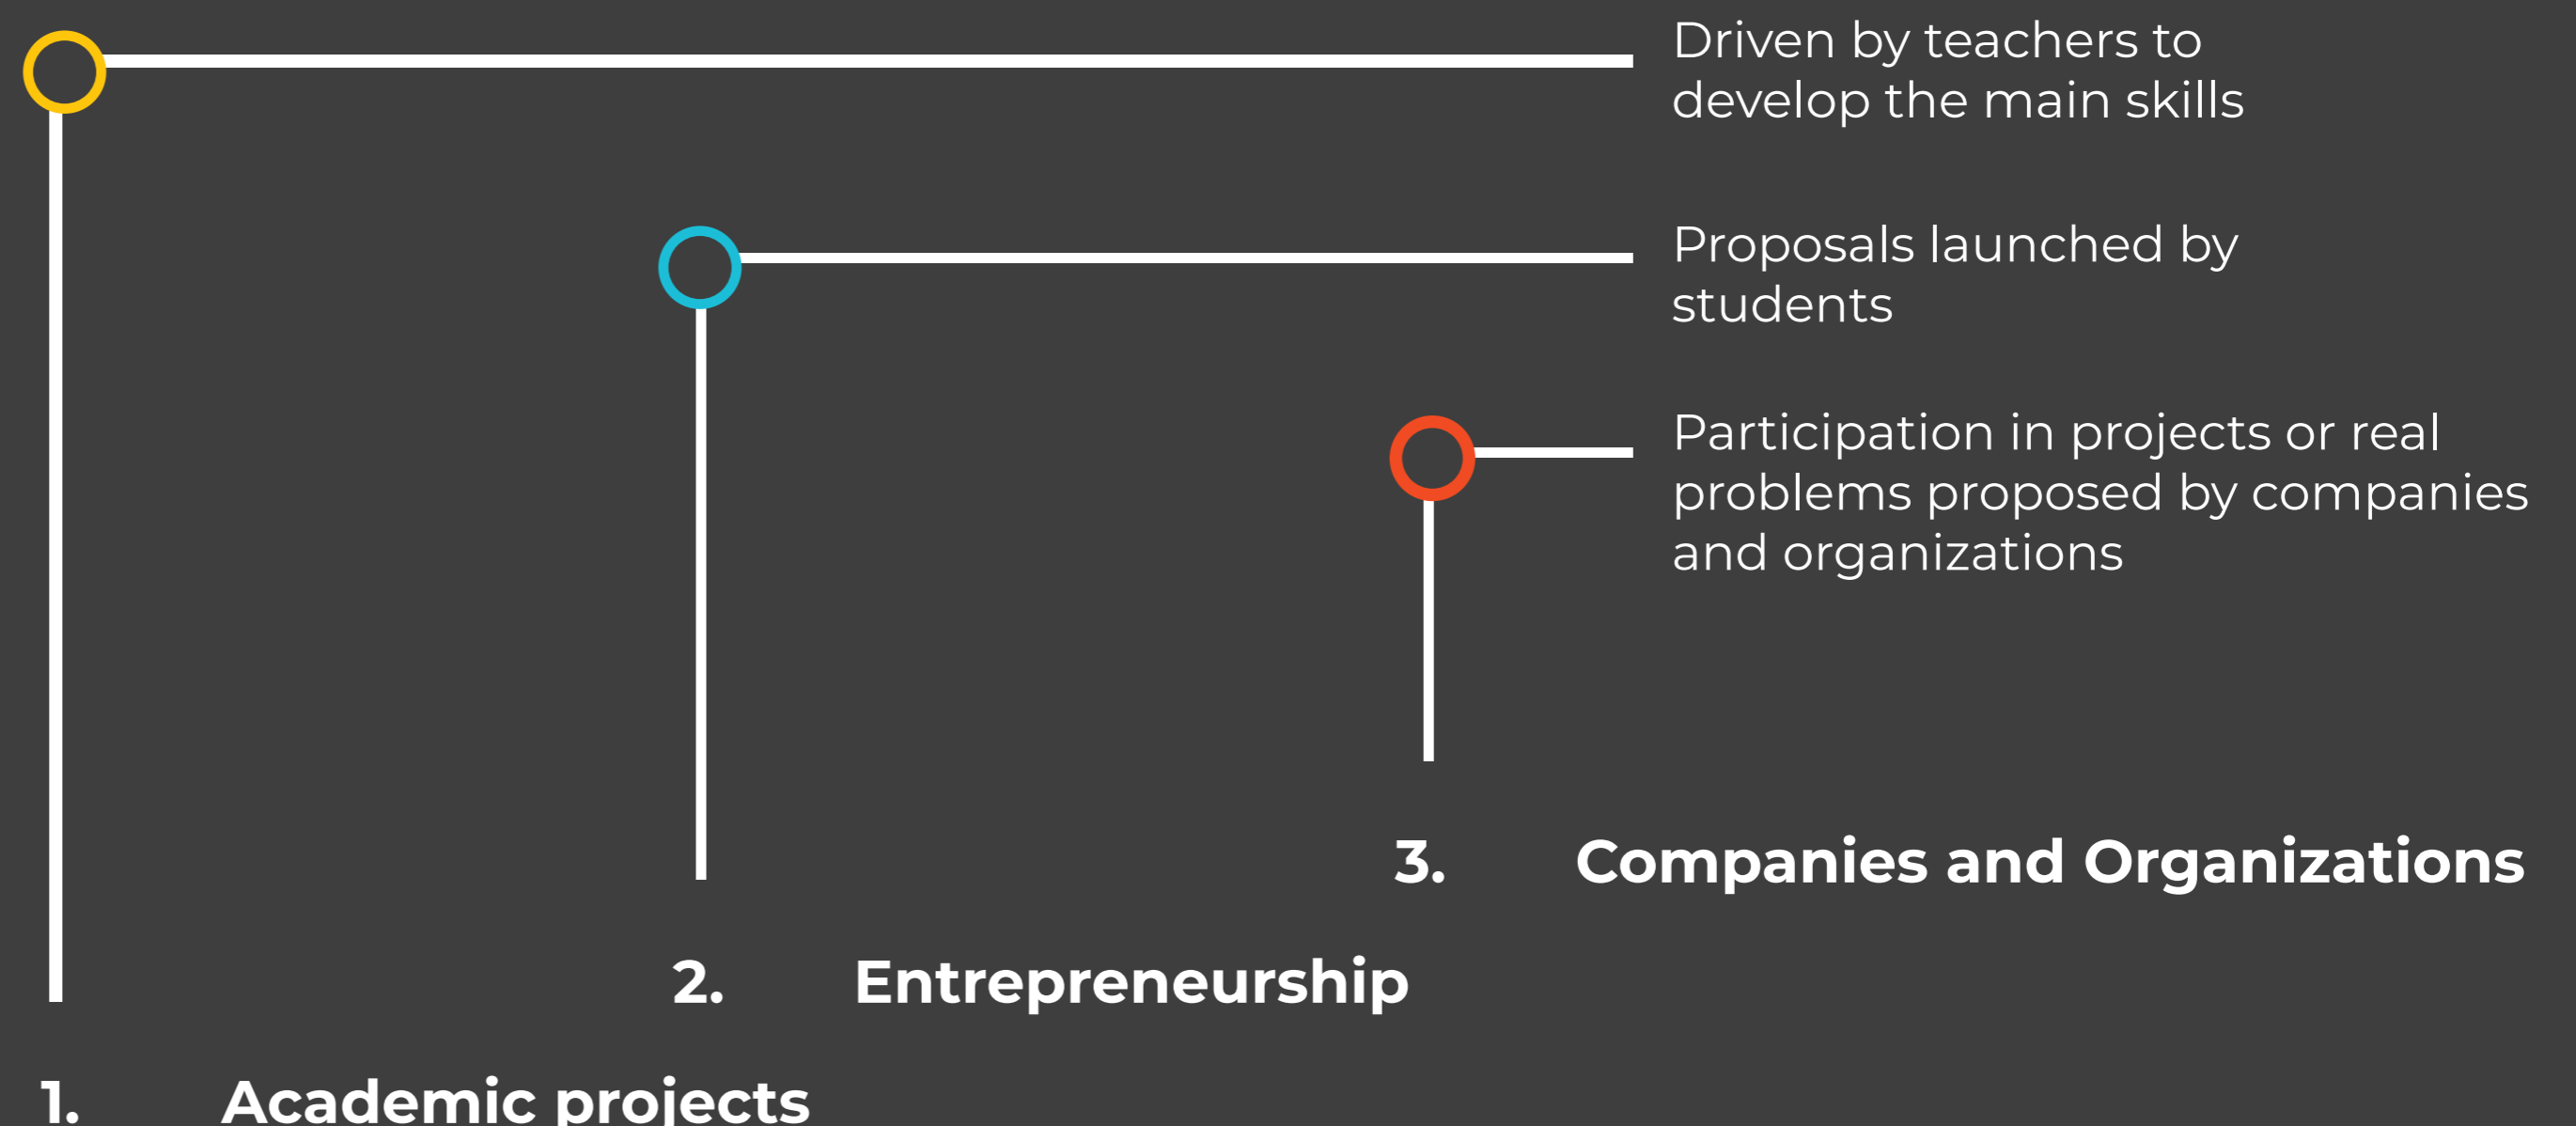

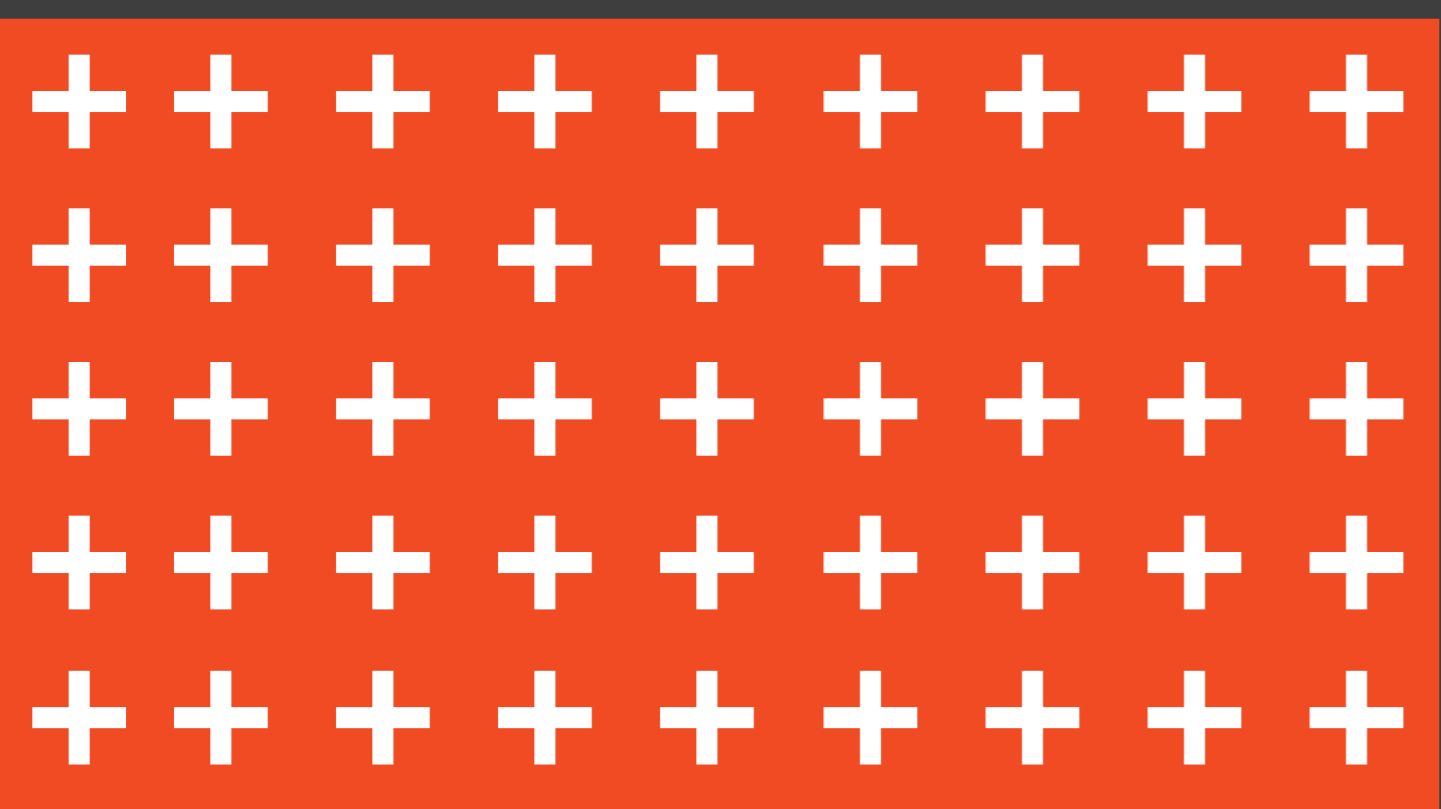

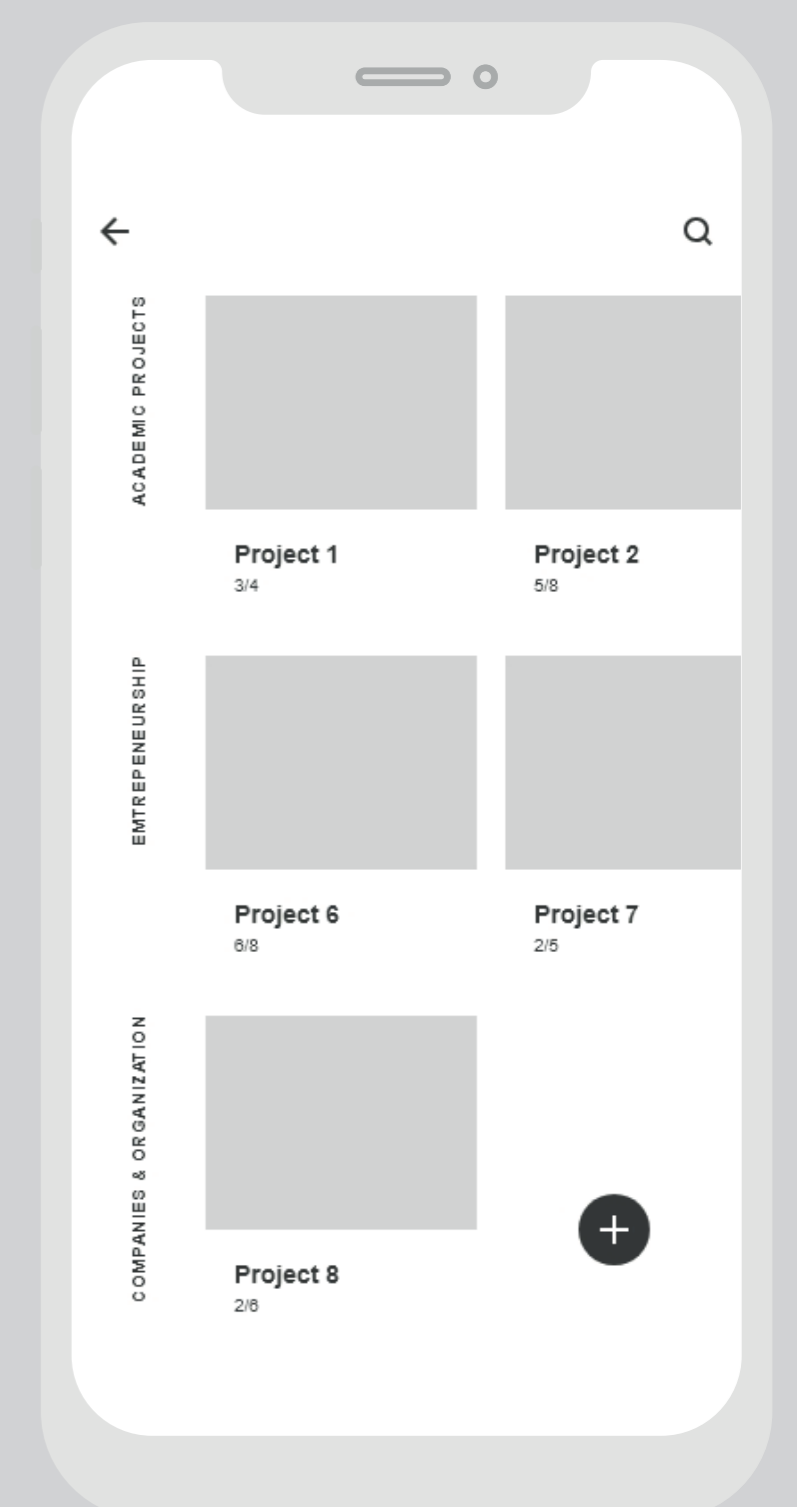

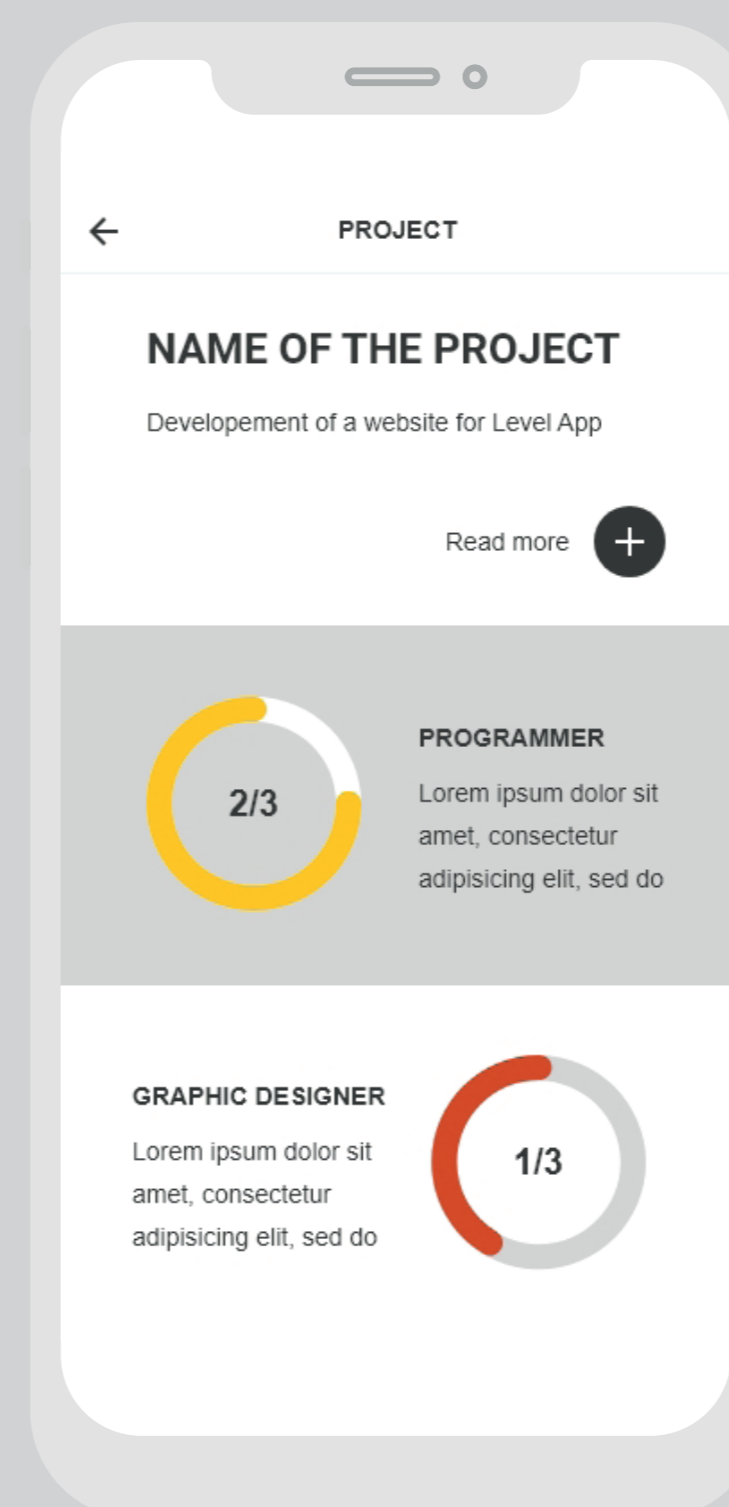

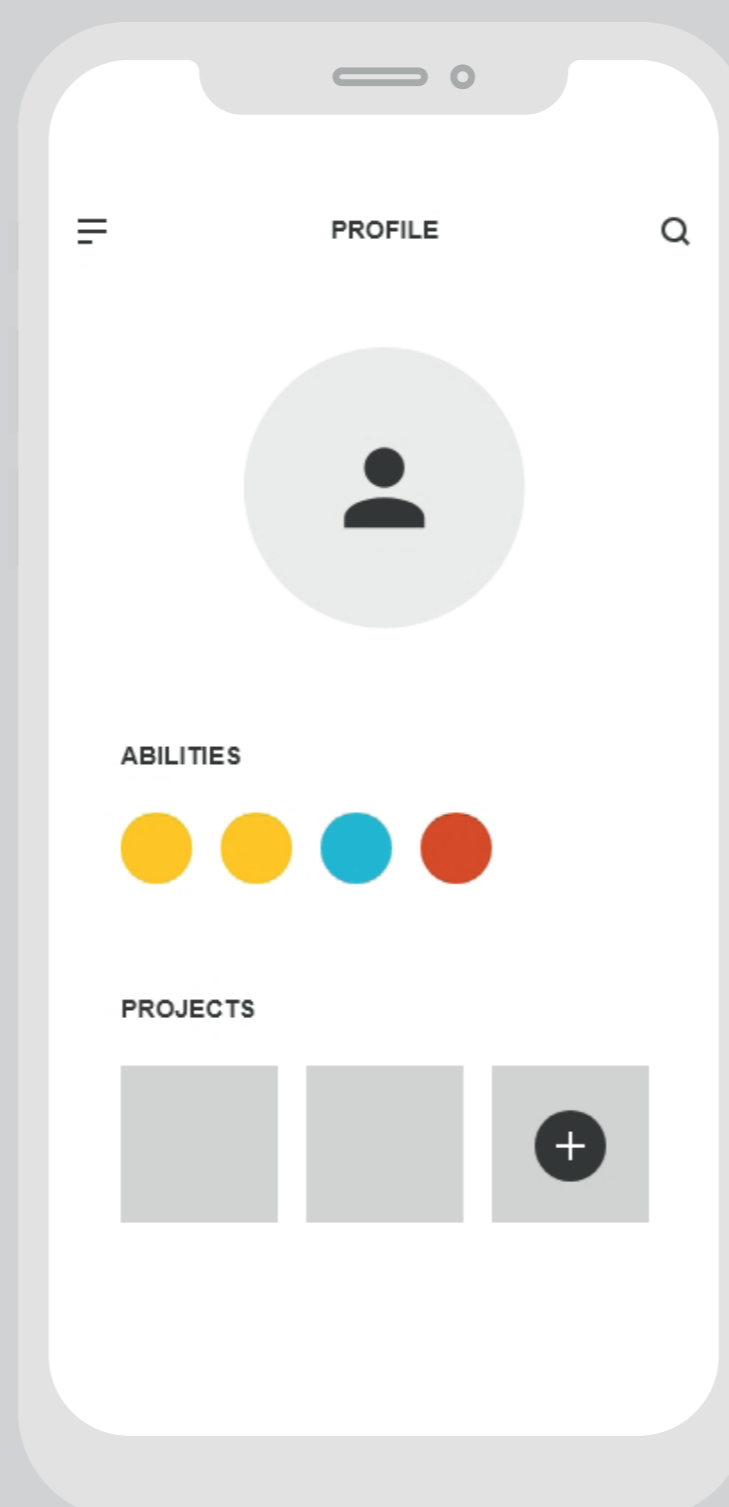

The teachers will be **EXTERNAL CONSULTANTS**

Skills will be acquired through the existing tools available at the university, as well as the challenges proposed in **LEVEL APP**

HOW LIKELY ARE YOU TO RUN INTO A PROBLEM FOR WHICH YOU ARE NOT TRAINED TO SOLVE?

DO YOU THINK NOWADAYS UNIVERSITY PREPARES YOU FOR WORK EXPERIENCE?

WOULD IT BE POSSIBLE FOR THE UNIVERSITY TO BE LIKE A VIDEO GAME?
