First, you have to complete the pre-inscription and then, if you are selected, you can complete the registration form. <http://www.upv.es/contenidos/SMAT/indexi.html>

2. When the Master Program starts?

It depends on the subjects you would like to join; you can start on September or on February. First year it is compulsory to take the 30 ects of the first course, but also you can join some of the elective subjects of the second course. Please, check which subjects are offered in Valencia and which of them are offered in Germany (Ansbach).

3. It is compulsory to attend lessons?

Yes, you have to attend 70% of the lectures. If you are working, you need the permission of the organization you are working for. You can check the timetables at this link <http://www.upv.es/entidades/ADE/infoweb/fade/info/691099normalc.html>

4. Are all the subjects in English?

No, the compulsory module is in English (30 ects) but for the electives you have to check which language is used. For this, you can click in each of them to read the information.

5. How can I get a Double Degree?

It is up to you to attend the full Program in Valencia or apply for a double degree (at the moment with Germany). In the second case, please check the information provided at <http://www.upv.es/entidades/ADE/infoweb/fade/info/845905normalc.html>
