

Dear students,

We are writing to you from Centro de Lenguas – Building 4P, here at the University.

Do you want to improve your level in a foreign language, for example, English, Spanish, French, Italian, German, Chinese, Korean..... and meet new people at the same time? If so, we invite you to take part in our **Language Tandems**. We will find you someone who wants to practise your native language (or another one you speak very well) and who speaks the language you want to improve in.

Everyone can take part, it's free.

To sign up, **just click on the link below and fill in the form:**

If your level of English is very good, you can choose the option "English" as a native language.

We will send you a reply as soon as we find your Tandem partner.

It is **a unique opportunity** to learn languages and to meet new people!

Don't hesitate, fill in the form now!

Best regards,
