4-5-6 March 2022

Proposal for Workshop

The American Space Valencia welcomes your proposals for 45-minute workshops for the Aula Americana at the *Salón del Cómic* this spring. Please be advised that you must complete [the template](#) so that your proposal may be evaluated. You will be notified of the time/date assigned for your workshop mid-February. Workshops should be designed for maximum 25 participants and they can be held in English, Spanish or Valenciano.

We value workshops designed to highlight this year's theme: "De villano a héroe", and those addressing values of diversity, equity and inclusion using cutting-edge technology and US Comics as references. Passes will be given to enter the Fair Center on the day of your workshop. Certificates of participation will be issued to all workshop facilitators. Here you have a link to a video from the last edition: <https://www.saloncomicvalencia.com/>

Deadlines.

- Last day to submit proposals: 27 January
- Notification of acceptance: 3 February
- Meeting to coordinate workshops: 10 February at 16.00h.
- Picking up of materials: 28 February

American Space will purchase the needed materials for the workshop so please be very specific with what you need. The American Space has the following equipment/materials available for use:

- 4 sets of oculus VR glasses
