

DETAIL INSPIRATION

DESCRIPCIÓN

Plataforma de acceso a los contenidos de la revista de arquitectura y detalles constructivos *Detail* (ed. alemana).

CONTENIDO

Artículos a texto completo de proyectos arquitectónicos que se han publicado en la revista *Detail*. No incluye el contenido íntegro de los números de la revista.

Cobertura cronológica: de 1987 hasta la actualidad.

Idioma: inglés y alemán.

ACCESO

URL: <https://inspiration.detail.de>

- Desde ordenadores de la UPV o con conexión wifi a la red de la Universidad.
- Desde fuera del campus requiere conexión VPN a la Universidad (para la identificación de un usuario UPV). [En caso de incidencia en la conexión, consultar con el CIA o con Informática de la ETSA).

USUARIOS AUTORIZADOS

Comunidad universitaria UPV.

CONSULTA DE CONTENIDOS

Dos opciones:

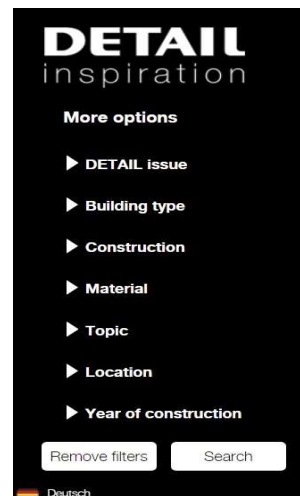

- Navegación por contenidos recientes o agrupados por categorías.
- Búsqueda de proyectos por diferentes criterios.

BÚSQUEDA DE PROYECTOS

Búsqueda básica de términos en lenguaje libre: (*Search projects*).

Búsqueda de proyectos por diferentes criterios (*More options*).

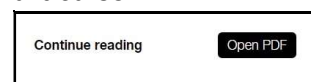

Opciones de búsqueda (en el menú desplegable) :

1. Detail issue: números corrientes y especiales.
2. Building type: tipologías de edificios.
3. Construction.
4. Material.
5. Topic: título de los números.
6. Location.
7. Year of construction.

VISUALIZACIÓN Y GESTIÓN DE RESULTADOS

Lista de resultados con acceso al texto completo de los artículos, digitalizados en formato pdf.

Permite la impresión y descarga de los artículos.

GUÍA DE CONSULTA: ACCESO A LA PLATAFORMA

Opciones de búsqueda (en la parte superior: *Search projects / More options*)

Últimas búsquedas, proyectos recientes y artículos agrupados por categorías
