**I CONGRESS ON ILLUSTRATION, ART AND VISUAL CULTURE**  
**Valencia June 19, 20 and 21st, 2013.**

This biennial congress is born with the vocation to generate a space for reflection around illustration. To that purpose, it tackles the analysis of the graphic image from different perspectives and fields, examining its relation with other art disciplines, its renewal and its media presence. Under the title FUERA DE PÁGINA (OUTSIDE THE PAGE), this first edition is launched. The period for submission of abstracts for presentations ends on March 1st. The texts will have to refer to one of the three themes proposed for the Congress.

Confirmed speakers are Jean Jullien, Paula Bonet, Julio Blasco, Gemma Correll, Mario Tascón, Román de la Calle and Bjorn Lie. Along with them, teaching art creation workshops, will be Sean Mackaoui, Javier Olivares, Mar Hernández, Jonay Cogollos, Paula Sanz, Sergio Membrillas and Till Hafenbrank. We will also enjoy the exhibition "Abierto todo el día" (Open all day), displaying notebooks and original work by Isidro Ferrer and Pep Carrió.
