Study Programmes unavailable 2022/2023

- Bachelor's degree in Interior Architectural Design
- Master's Degree in Information Management
- Master's Degree in Advanced Architecture, Landscape, Urban Planning and Design
- Master's Degree in Preservation of Architectural Heritage

Course Restrictions

- **EPSA:** Master's Degree in Textile Engineering and Master's Degree in Business Administration require Spanish B1 certificate.
- **FADE:** Acceptance in Business courses for students outside the FADE School is extremely unlikely. Spanish B2
- **ETSID:** Aerospace courses in English are only available for students with aerospace/aeronautical background.
- **FBBAA:** Acceptance in courses in design, animation, photography for students outside the Faculty of Fine Arts is very unlikely. BA in Design and Creative Technologies programme has very limited vacancies and will not accept students from other UPV Schools/Faculties, as well as the MA courses offered at the FBBAA.
- **ETSINF:** (School of Informatics) For all degrees: limited places. Student's background must be related to the degree. 156-Bachelor's Degree in Computer Engineering: No places available in the Software, Computing and IT Engineering branch) - 189-Bachelor's Degree in Data Science - profile related to the degree --- 2287-Master's Degree in Cybersecurity and Cyberintelligence - Language: Spanish (restricted access by agreement) --- 2233-Master's Degree in Computer Engineering - Language: Spanish
- **ETSICCP:** Master's Degree in Hydraulic Engineering and Environment: The number of places for optional subjects is very limited and it 's necessary to have background in the field of hydraulics and environment
- **ETSICCP:** Some courses must be registered together: 1st Semester: 34925-BIM MANAGEMENT + 34258 - *Gestión de Proyectos con BIM (esp. Gestión)* 2ns Sem. - 34925-BIM MANAGEMENT + 34200 - *Metodología BIM (esp. Tecnología)* -2nd Sem., esp. *Gestión* 32625 - *Viabilidad económica de promociones inmobiliarias y* 32624 - *Evaluación financiera promociones inmobiliarias Inver. Inm.* are linked and work both on a common project.
- **ETSII: Master's Degrees:** ETSII: Information for the following Master's Degrees MIAPLCS (Production, Logistics and Supply Chain), MUDGP (Project Management), MUCII (Construction and Industrial Installations), MUSNPR (Nuclear safety and Protection), MUCD (Cooperation to the Development), MUIMEC (Mechanical Engineering), MUAI (Automation and Industrial Computing), MUTEDS (Energy Technologies for Sustainable Development), MUIB (Biomedical Engineering). Very limited places and in most cases limited to specific partner institutions (under a specific agreement) / Acceptance in courses in those master's programs for students outside ETSII is extremely unlikely /Necessary to fulfill the specific academic background to access the degree / Certify B2 Spanish level for courses taught in Spanish / As MUTEDS has very limited places, we recommend checking the two specializations in energy available in the Master in Industrial Engineering (MUII)
