

Segundo ejercicio de las pruebas selectivas de acceso al grupo A, subgrupo A1, sector administración especial, categoría de técnico superior en el área del centro de lenguas, idioma inglés, por el sistema de concurso-oposición (Código: 2021/P/FC/C/29).

Supuesto 1

You need to design a training course for UPV university lecturers teaching through English. You need to take into consideration the following points.

Question 1. CEFR level of the course and language contents– justify your answer by aligning the language level lecturers need to have to deliver lessons in English (5 points)

Question 2. Methodological considerations that lecturers need to take into account when teaching through English (5 points)

Question 3. Issues regarding intercultural communication in the classroom (5 points)

Supuesto 2

You are in charge of organising the different exams that are going to be carried out at a language centre.

Question 1. You already have a placement test that was pretested and obtained the results below. You have the time and resources to pretest everything again if needed. Which of the items would you keep? Which do you think could be improved? Which should be discarded? Give reasons for your decisions. Once decided, what would be your next steps? (5 points).

Item No.	IF (facility index)		r pbi (discrimination index)
1	0,62		0,44
2	0,72		0,26
3	0,48		0,61
4	0,66		0,35
5	0,9		0,11
6	0,49		0,56
7	0,82		0,39
8	0,4		0,39
9	0,67		0,46
10	0,71		0,45
11	0,75		0,51
12	0,48		0,27
13	0,46		0,64
14	0,92		0,21

15	0,51		0,64
16	0,51		0,5
17	0,51		0,44
18	0,58		0,67
19	0,51		0,47
20	0,44		0,37
21	0,94		0,18
22	0,24		0,19
23	0,2		0,47
24	0,39		0,48
25	0,14		-0,04

Question 2. You need to prepare a CertAcles exam, you have a year to do so, could you detail all the steps that you need to take into account from the preparation of the exam itself to the final issuance of the certificates? (5 points)
