New First Circular, 8th IWGTD

Dear Friends,

In the attached file I send a new version of the First Circular of the 8th IWGTD. It has been modified in order to emphasize that, due to the Grand Prix F1, the hotels for the Workshop in Valencia will maintain the prices per room and per day for the participants only during the nights of 17-21 June 2012 (leaving Valencia on June 22), for other dates after the workshop, the participants should contact the Technical Secretariat because the prices of the hotel rooms will increase.

Regards,

Josep Armengol
