#### Comments:

Computer Knowledge Descriptions are for different teams (No need to have all six capacities for apply to the offer). You can get a head start at SAP by joining our internship program. You can lay the foundation for a career in a highly professional environment that supports original thinking, rewards initiative and recognizes outstanding performance. The internship is paid and interns working at SAP enjoy many of the same perks as our regular staff, including complimentary coffee, tea, lunch, and use of the sports and social events and clubs. Best of all, you become part of a rich, stimulating environment in which you have daily access to technical experts, subject-matter experts, and business professionals. You will find the learning environment highly stimulating, where employees acquire knowledge and skills through instructor-led classes, e-learning courses.

**PLEASE, SEND THIS FORM TO THE TRAINEERSHIP CORRESPONDING VIA E-MAIL**
