Internship call: Catch the wind

Are you interested in contemporary design?

Can you shoot images, design graphics, and manage social networks?

TABLO hub – NEO house in Prague at Letná Art District

What's TABLO?

TABLO is publishing house for things, founded by two designers in Prague in 2014.

We stand for our differences versus obvious stylish only and other basic luxury brands. From Czech traditional manufactures we learned, and now design.

Jiří Novotný & Iva Tattermuschová
(designers & publishers)

What's in the package?

1. Creating strategy and content of TABLO social networks and web sites – catchy photographs, videos and texts in English.
2. Analyzing outcomes from the social networks and web statistics.
3. Training and regular meetings with us in TABLO.
4. Working in the inspiring and creative TABLO hub in Prague at Letná Art District.

Catched already?
