25262 PROJECT – ORGANISATION OF A MULTITUDINOUS EVENT: FESTIVAL OF CULTURES

WORKLOAD: 6 ECTS
DURATION: FEBRUARY TO May
WORKING LANGUAGE: ENGLISH

We will have weekly meetings in order to organise the event.

Project Description:

Every year in spring, the UPV Gandia Campus celebrates its “Festival of Cultures”.

The purpose of this event is to promote internationalization at home, approach cultures we do not know, and share customs and traditions of the different cultures present on campus. Our “Festival of Cultures” usually takes place at the **end of May**.

The idea is to present different aspects of the cultures represented on the campus, and show how spring and related festivities are celebrated (Spring Festival, Easter, May Tree, Chinese New Year, etc.).

We will learn a little more about other cultures and traditions with the workshops (e.g., typical crafts, calligraphy, Fallas ninots, tai chi, etc.) and there will be a sample of typical sweets (cakes, buns, etc.) The international office will sponsor all activities and reimburse the expenses incurred in the selected activities.

The organisation team will be in charge of everything we need for this event for around 300 people: planning, logistics, purchase, corporate image, organisation of workshops, decoration, etc.

If you are interested in participating in the organisation of this event, please, send an email to incomings@epsg.upv.es until Monday, 19th February and tell us which are your capabilities and how you could enrich our team.
