Regional Marketing Management Internship

DREMEL

Breda

Dremel, part of the Bosch Group, is the global market leader in versatile tool systems, such as rotary tools and other home solutions. The Dremel EMEA headquarters are situated in Breda, the Netherlands and takes care of all marketing and sales activities together with the local offices across Europe, Middle East, Africa, Latin America and Asia Pacific. The international team works in various areas across the business, such as Sales, Marketing, Controlling and Business Development. The Dremel working environment is young, dynamic and a place where input and initiative of employees is highly valued. As an intern at Dremel, you will be working alongside highly motivated, experienced colleagues as well as a group of other interns in an environment which allows for students to develop on both a personal and professional level. Dremel's supportive working culture is a key part to its success.
