Transcript of Records

Spanish Language Certificate: B2 level of Spanish is required

## Other remarks (!)

- Bachelor Students can only choose courses of the Bachelor Level.
- Acceptance into the Master's courses is only possible under an existing bilateral agreement for the Master's level. For Master GEPS is compulsory to undertake the whole of the courses offered in each semester.
- Students from other schools of UPV will most likely not be accepted for spare courses at FADE, since we are a very small faculty and there is a high demand.

## Course restrictions

Courses taught in English are limited and we can not always guarantee acceptance into them. Most exchange students will be required to have a B2 level of Spanish and to undertake their courses in Spanish.

FADE is a small Faculty and, depending on the demand of each course, we can not always guarantee acceptance in all the selected courses in a particular group or Schedule.
