

Welcome to a place  
where your ideas lead  
to something big.

Welcome to Bosch.

Let's be remarkable.

## Finance and Controlling Intern

**DREMEL®**

### Breda, The Netherlands

Dremel, part of the Bosch Group, is the global market leader in versatile tool systems, such as rotary tools and other home solutions. The Dremel EMEA headquarters are situated in Breda, the Netherlands and takes care of all marketing and sales activities together with the local offices across Europe, Middle East, Africa, Latin America, and Asia Pacific. The international team works in various areas across the business, such as Sales, Marketing, Controlling and Business Development. The Dremel working environment is young, dynamic and a place where input and initiative of employees is highly valued. As an intern at Dremel, you will be working alongside highly motivated, experienced colleagues as well as a group of other interns in an environment which allows for students to develop on both a personal and professional level. Dremel's supportive working culture is a key part to its success.

For more information regarding Dremel please visit: <https://www.dremel.com/gb/en>

During the 12-month placement, you will become familiar with the typical tasks of a Business Unit Controller and develop an understanding into the structure of a multinational organization. Throughout the internship you will also maintain daily contact with other departments based both in Breda as well as in the United States and Germany. We invite smart, independent-thinking applicants who are eager to learn to apply for an internship in our financial controlling department. You will work within a dynamic department which embraces an open culture. We offer a versatile internship within a challenging work environment of an international organization. We are open to new initiatives and ideas that you bring with you. In addition, there is plenty of opportunity to work independently on business research and ideas, while collaborating with the best colleagues!

### As a Business Unit Controller, you can expect:

#### Monthly Tasks

- ▶ Creation of the monthly reporting package focusing on business profitability
- ▶ Analysis of sales, margin and price development by country, product, and customer
- ▶ Analysis of logistics cost development across Europe
- ▶ Quarterly review meetings with the Sales, Marketing and Logistics management teams
- ▶ Ad-hoc analysis to facilitate management decision making

#### Planning Support

- ▶ General support throughout business planning period
- ▶ Creation of forecast for innovation share, pricing, costs, and sales
- ▶ Participation in meetings concerning business strategy to discuss future trends and development of the organization

#### What we have to offer

- ▶ A diverse internship in an international environment
