	Break / Lunch break
	No regular class

KEY INFORMATION

Welcome Session: Thursday, 3 September 2026 at 9:00, in the American Space classroom, 1st floor Building 4P, Language Centre, UPV.

Teaching Period: Classes will run from 7 September to 16 December 2026. The timetable shown is the regular weekly schedule. Any specific dates, additional sessions, make-up classes, assessment sessions or timetable adjustments applicable to individual subjects will be confirmed by the teaching staff. Students should also refer to the course syllabus for subject-specific information.

Public holidays and no-class days affecting the programme: 9 October, 12 October, 7 December and 8 December 2026.

Wi-Fi Access: Information and credentials for Wi-Fi access will be provided during the Welcome Session.

Questions and Support: WhatsApp: +34 651 330 604.

Please note: This timetable is provisional and may be subject to minor changes. Any changes affecting classes will be communicated to students.

TEACHING STAFF

Subject	Lecturer(s)
Calculus III	Santiago Moll López
Physics for Scientists and Engineers II	Francisco Misael Muñoz Pérez
Physics for Scientists and Engineers Laboratory II	Vicente Ferrando Martín
Spanish Culture and Civilization ENG	Javier Galán Cubillo / Beatriz García Ortega
Organic Chemistry I	Maria Luisa Marín García / Lorena Tamarit Mayo
Material and Energy Balances	Antonio Leyva Pérez
