

## FAQs FUTURE STUDENTS FADE-UPV

### 1. Can I study at the FADE as student of exchange?

In order to study at FADE (*Facultad de Administración y Dirección de Empresas*) as an incoming student, a bilateral agreement between your university and FADE must exist. In addition, your university must select you and nominate you in order to begin the process of application. Once verified the bilateral agreement, an e-mail will be sent to your coordinator with the instructions to start the application process.

### 2. How can I know if I have been admitted into the FADE?

Once checked your application, you will receive your letter of acceptance by e-mail with all the information needed to start planning your stay in Valencia and your studies at FADE.

### 3. Where can I find information about the subjects taught at FADE?

The information about the degrees and the subjects is available at the faculty's website by clicking:

[Degree in Business Administration and Management](#)

[Degree in Public Administration and Management](#)

Please note that, though there's an English group, we strongly recommend our incoming students to study in Spanish as there is a wider offer for those groups, which makes it easier for you to set your schedule and plan your academic choice. Moreover, most of the interinstitutional agreements only allow exchange students to take courses in Spanish. You may check that particular condition with your academic exchange coordinator.

### 4. How is the academic course divided?

The academic course divides in two semesters. The first semester begins in September and ends in January, and the second semester begins in January and ends in June.

### 5. Where can I find the academic calendar?

The academic calendar is published at our website in FADE UPV >> *Grado ADE* or *Grado GAP* >> *Calendario Académico*. You may also find it enclosed in your ACCEPTANCE PACK, once you are formally accepted as an exchange student at FADE UPV.
